PRESIDENT'S REPORT

2014 was my first year in the chair and very much a learning experience. The support of all board members is very much appreciated.

The many successful events throughout the year are a testimony to the dedicated board members, club members and volunteers; the operation of the canteen deserves special appreciation to Rohan and Robyn Mason. The efforts of Tony Villanti are also recognised.

It is hoped we can formalise an agreement with Eleiko in the near future that will see the existing facility rebranded as the *Eleiko Weightlifting Centre*; special thanks must be expressed to Sam Coffa who was the architect of the sponsorship, and appreciation also to Jacquie White's submission at short notice.

We have commenced a process to develop a formal Board Governance & Policy Manual. The Governance of our VWA is to ensure a system is in place that assists in how we best manage our resources for both members and stakeholders. Good Governance is about:

Planning – Developing strategic goals and objectives

Organisational Performance – Monitored against those goals and objectives

Leadership – Ensuring the Association manages/operates in the best interest of members and stakeholders.

Vicsport have been assisting with this Governance development and their support is recognised and appreciated.

The development of our new website should be a valuable asset in growing the sport, the assistance of the AWF is appreciated in this development.

We will take forward next year a higher degree of Risk Management and for example are planning on securing a defibrillator for the Centre and hopefully ensuring some members become qualified in FIRST AID/CPR.

Finally my thanks to our Operations Manager who manages to organise the issues associated not only with Events but the general functioning of the Centre.

Phil Goodman
President

OPERATIONS MANAGER'S REPORT

Overall this year has been another successful and positive period for the Victorian Weightlifting Association. Our athletes have continued to see success on the platform, whilst recent initiatives outside of the competition arena have attracted new members to our sport. With that said, the past year has not been without its challenges, which we will continue to work towards overcoming.

In March this year the VWA and Hawthorn Weightlifting Club entered into an agreement to employ a part-time development coach in order to increase facility access and usage, and assist new users of the stadium. Simon Francazio was appointed to the position and should be applauded for the work he has done recruiting and coaching new members.

Simon has also continued his work with the De La Salle school program, with the majority of the squad having now moved into the VWA club structure; a key transitional phase in our development pathway. I am pleased to report that thanks to the tireless efforts of Simon and David Hale, the future of the De La Salle weightlifting program has been secured, with the college formally opening the Damian Brown & Harvey Goodman Weightlifting Centre at the Tiverton Campus. Mt Lilydale Mercy College, Maribyrnong College, Bellarine Secondary College, St Joseph's College Geelong and Geelong Baptist College have also continued to support our Schools' Program. I thank all the schools and their staff that have participated during the year for their efforts and support.

One of the most exciting developments this year has been the initiation of a sponsorship agreement with Eleiko, which is in the final stages of being formalised. The agreement will see Eleiko secure naming rights to the Victorian Weightlifting Stadium in return for significant in-kind support. I would like to thank Sam Coffa for the important role that he played in securing this deal. The VWA looks forward to working with Eleiko and Leisure Concepts (the Australian distributor) over the coming years.

Over the past 12 months the VWA secured strategic support services from Vicsport in the form of a Good Governance Project. This is an important area for any organisation and one that the VWA takes very seriously. The initial project resulted in the identification of several areas and items for improvement. Fortunately we have been able to enter into another agreement with Vicsport to continue the project, which will provide us with the opportunity to address the identified issues.

As previously mentioned, Victorian athletes have continued to excel on the competition platform. Five (5) Victorian athletes – Socheata Be, Seen Lee, Vannara Be, Francois Etoundi and Simplicie Ribouem - were selected to represent Australia at the Glasgow Commonwealth Games, along with two (2) coaches – Yourik Sarkisian and Anthony Dove. Congratulations to Simplicie Ribouem and Francois Etoundi, who brought home a silver and bronze medal, respectively.

The Victorian Youth & U15 team performed well at the National Championships in Launceston, with almost every athlete achieving new personal bests. The U15 team won 3 bronze medals and 1 silver, whilst the Youth team brought home 2 gold, 4 silver and 2 bronze medals.

Victorian lifters to represent Australia since 2013 Annual Report:

Finally I would like to thank everyone who has contributed to the Association's operations this year. Thank you to Phil Goodman for his support and efforts in his first year as President of the VWA. I'd also like to acknowledge the work that Harvey Goodman has put in this year as the association's Treasurer. Harvey has put in endless hours in order to put in place new systems and streamline existing processes.

FINANCIAL REPORT (JULY 2013 TO JUNE 2014)

The association's financial position remains strong. The total income for the period exceeded the previous period by \$29k. A \$19k payment from the AWF for 2013 funding instalments 2 and 3 was the main contributor to the increase in income. Increases in Coaching Services and Stadium/Facility hire were the other main contributors.

Expenditure for the period was \$10k less than the prior period, primarily due to the cessation of the club funding for the running of calendar events as well as no significant contribution to Victorian team national events. We also, in partnership with the Hawthorn Weightlifting Club, commenced the employment of a part time coach, Simon Francazio.

The association received confirmation that it will receive grants in the next financial year from the state Government; however there will be no funding from the AWF, which places challenges to our future financial position. To offset this we have placed an emphasis on maximising the use of the stadium which has seen an additional \$9k income for the period. We must also look towards other income streams, including fund raisers as well as maximising our sponsorship opportunities and national events. We will also be investigating e-commerce opportunities on our new web site, as well as maximising the profit from hosting the 2014 National Junior and Senior Championships in late November.
